MOULDINGS CATALOGUE

EN *Experience, manufacturing power and knowledge of the market. These are the features that have allowed BeN frames to reach the shops and as a consequence people's homes worldwide. BeN frames moulding selection is the result of a melting pot between past, present and future: timeless models, brand new products and exclusive trends. All this is achieved by our insight of the international market and our proposals, that interpret and meet features of taste, production, forms and colours of every market worldwide. BeN presents a well organised selection of 750 different types of mouldings, because every expert in this sector should easily choose the most ideal solution to his needs: from the studied range, the classical one, the rustic one to the design trends, going through colourful proposals and further more. With BeN mouldings selection every professional is able to build and define his particular range of products finding the best solutions for his customers and his market, with the possibility to receive suggestions and anticipations by the numerous BeN partners all over the world. All our production range is thought, designed and produced by BeN. Colours, materials, shapes, nuances, dimensions, working processes. The ideal solution is the result of lots of details. All the subjects and the environments require the right classical touch and originality, this means they require a B&N frame.*

D *Erfahrung, Industrielle Produktion und Marktkompetenz. Das sind die Eigenschaften, die es erlaubt haben, B&N Rahmen in die Geschäfte und in die Häuser dieser Welt zu bringen. Die B&N Leisten Auswahl ist das Ergebnis der Vergangenheit, Gegenwart und Zukunft: zeitlose Modelle, Neuheiten und exklusive Tendenzen, alles das mit Focus für den internationalen Markt. B&N stellt mehr als 750 Leistentypen vor, weil jeder Fachmann die beste und für seinen Bedarf geeignete Lösung wählen kann: einem klassischen, einem rustikalen bis hin zur Welt des Designs. Mit der B&N Leisten Auswahl kann jeder Fachmann seine Angebote individuell bestimmen, damit er die beste Lösung für seine Kunden und seinen Markt findet. Die ganze Auswahl wurde von B&N sehr aufmerksam durchgedacht, geplant und produziert. Farben, Materialien, Formen, Abtönungen, Maße. Die perfekte Lösung ist die Zusammensetzung aus vielen Details. All die Themen verlangen eine gewisse Klasse und die richtige Originalität, dass heißt sie verlangen einen B&N Rahmen.*

FR *Expérience, capacité industrielle et symbiose avec le marché sont les atouts qui ont introduit les cadres BeN dans les magasins et dans l'habitat de nos clients. L'offre de moulures BeN est la synthèse d'une rencontre entre passé, présent et futur. Les collections classiques, les nouveautés et dernières tendances sont proposées en exclusivité, le tout avec un regard international qui répond aux caractéristiques de goût, de forme et de couleur spécifiques à chaque marché. BeN propose des collections structurées de plus de 750 modèles de moulures. Chaque client peut ainsi choisir la solution qui convient le mieux à ses besoins, en allant du style recherché, classique ou rustique, au monde du design, en passant par le triomphe de la couleur et des teintes « tendance ». Avec la sélection de moulures BeN, chaque client peut construire et définir sa propre gamme en apportant les solutions les plus appropriées à sa clientèle et à son marché. Toutes les collections sont pensées, projetées et produites par BeN, résultat des idées, de l'imagination et du savoir-faire de ses nombreux collaborateurs. Couleurs, matériaux, formes, nuances, dimensions, exécution : la synthèse parfaite de tous ces éléments est un cadre BeN. Aussi chaque pièce de la maison mérite - t- elle une touche de classe et d'originalité, un cadre BeN.*

ES *Experiencia, capacidad industrial y sintonía con el mercado. Estas son las características que han llevado los marcos de BeN en los negocios y por lo tanto en las casas de todo el mundo. La selección de molduras por los marcos de BeN es la síntesis del encuentro entre pasado, presente y futuro: los modelos sin tiempos, las últimas novedades y las tendencias en exclusiva, el todo con una mirada y una propuesta internacional que interpreta y contesta a las características con el gusto, elaboración, forma y color de cada mercado. BeN propone de manera organizada además de 750 tipologías de molduras, porque cada operador del sector pueda fácilmente escoger la solución que mejor se adapte a sus necesidades: desde el gusto solicitado, clásico, rústico, hasta el mundo del design, pasando por el triunfo del color y mucho más. Con la selección de molduras BeN, cada operador puede por lo tanto construir y definir su específica gama de oferta encontrando las soluciones justas por su clientela y su mercado, con la oportunidad de recibir conocimientos y anticipaciones resultado del trabajo y de las indicaciones de los muchos colaboradores de BeN en el mundo. Colores, materiales, formas, matices, dimensiones, elaboraciones. La solución perfecta es la síntesis de muchos detalles. Todos los sujetos y los ambientes merezcan el justo toque de clase y de originalidad, merezcan unos marcos BeN.*
