Unsere Keilrahmen sind auf einer hochwertigen Kunstleinwand mit brillanter Farbwirkung gedruckt. Die texturierte Oberfläche verleiht unserem Produkt die charakteristische Originalanmutung. Die Oberfläche ist unempfindlicher gegen Schmutz- und Lichteinflüsse als herkömmliche Leinwände und läßt sich leicht mit einem trockenen, weichen Tuch reinigen. Die Keilrahmen sind mit einem Hochleistungs-Spann-System versehen und lassen sich optimal nachspannen.

The latest state of the art colour printing technique is used to produce our high quality canvas look pictures. The unique textured surface gives the impression that the painting is an original. However, unlike original paintings, the dust and dirt resistant surface will not fade with exposure to light and it can be easily cleaned with a soft, dry cloth.

Nos toiles tendues sont imprimées sur une toile de grande qualité avec un effet de couleurs brillantes. La texture de surface donne à notre produit l'aspect caractéristique de l'original. La surface est moins sensible à la salissure et à l'influence de la lumière que des toiles traditionnelles et peut facilement se nettoyer avec un chiffon doux et sec.
