Enrique López is one of the most important and modern moulding manufacturers in Europe.

Enrique López, est l'une des entreprises de fabrication de moulures des plus importantes et des plus modernes d'Europe.

Premio Mercurio a la Exportación

Aunamos tradición e innovación y apostamos con madurez, rigor y tenacidad por ofrecer los mejores productos.

Let us unite tradition and innovation, and our experience, rigour and consistency to offer you the best products.

Nous conjuguons tradition et innovation avec maturité, rigueur et ténacité afin d'offrir les meilleurs produits.

Goza hoy de una sólida y próspera proyección internacional. Gracias al esfuerzo de tres generaciones, que hicieron posible nuestro creciente desarrollo aplicando a la industria el conocimiento de los procesos artesanales, nos hemos convertido en un referente inequívoco de calidad y profesionalidad. Nuestro mayor valor es la experiencia, y nuestras señas de identidad se mantienen firmemente de cara al futuro.

At present, the company has consolidated its domestic market and its international trade projection is highly promising. The efforts made by the three generations have led to a non-stop growth. We have introduced our artisan know-how to the manufacturing processes of our industry and, as a result, we are a clear referent of quality and professionalism. Our best asset is our know-how, and our hallmark is well-established for the future.

Elle jouit aujourd’hui d’une projection internationale solide et prospère. Grâce à l’effort de trois générations, qui ont rendu possible notre développement croissant en appliquant à l’industrie la connaissance des processus artisanaux, nous sommes devenus une référence évidente de qualité et de professionnalité. Notre plus grande valeur est l’expérience, et nos signes d’identité se maintiennent fermement face à l’avenir.

Perfeccionando los procesos, aumentando la calidad y atendiendo todas y cada una de las demandas de nuestros clientes. Con un inmejorable equipo humano y tecnológico, creamos y producimos para dar respuesta a todas las necesidades del mercado y ofrecer una magnífica relación calidad-precio. Controlamos todo el proceso de producción, desde la selección de las maderas en origen y su secado natural al aire, hasta los acabados artesanales más sofisticados, a fin de elaborar unos productos que se adaptan con un estilo propio a cada situación, con diseños integrales que cuidan hasta los más mínimos detalles, acabados perfectos y una exhaustiva gama de modelos con múltiples combinaciones de texturas, formas y colores. Para ello contamos con unas modernas instalaciones de más de 80.000 m² que garantizan un servicio y un control de calidad insuperables.

We strive for perfection of processes, increase in quality and attend each and every requirement made by our clients. We are proud of our manpower and technology, we create and produce to provide solutions to the market demands and offer an excellent price-quality product. We control the entire production process, starting from the wood selection in origin and natural drying in the open air to the most sophisticated artisan finishes. Therefore, we elaborate products that have their own style for each location, integral designs that take into account the finest details, perfect finishes and an ample range of models with several combinations of textures, shapes and colours. We have modern facilities of over 80,000 m² that guarantee a fabulous service and a stringent quality control.

Dans un soucis de perfectionner les processus, d'augmenter la qualité et de satisfaire toutes les demandes de nos clients, avec une équipe humaine et technologique incomparable, nous créons et produisons pour trouver une réponse à tous les besoins du marché et offrir un magnifique rapport qualité-prix. Nous contrôlons tout le processus de production, depuis la sélection des bois d'origine et leurs séchage naturel à l'air libre, jusqu'aux finitions artisanales les plus sophistiquées, afin d'élaborer des produits s'adaptant avec un style propre à chaque situation, avec des dessins intégraux soignant les moindres détails, de parfaites finitions et une gamme exhaustive de modèles aux multiples combinaisons de textures, formes et couleurs. Pour cela nous disposons d'installations modernes de plus de 80.000 m² qui garantissent un service et un contrôle de qualité imbattables.
